

COSHELF

See current catalogue for further detail

* The Clipsal brand and associated products are Trademarks of Schneider Electric (Australia) Pty Ltd.

GSM Electrical (Australia) Pty Ltd, the TRADER brand and it's products, have no endorsement or affiliation with Schneider Electric Pty Ltd.

Cleaning Guide:

Spraying cleaning products on to electrical products is not recommended.

It is important to ensure that switches are turned off before cleaning.

Do not use any cleaning sprays - only wipe down with damp cloth or rub with dry cloth. (Do not use an abrasive cloth as it may scratch the plastic).

Do not use harsh chemical cleaners as these can break down the plastic and cause it to crack.

4 Gang Power Points

- Suitable for use with all "Cougar 2" style plates
- Includes screws and screw caps for secure retention on wall
- No need to remove wall plates from wall for installation of the shelf
- Also suitable for use with Clipsal 2000 Series*
