- Supplied with 2x 25mm cable glands & 1x 25mm plain screw conduit adapter with rubber O-ring.
- Made of UV resistant PVC material to protect against sunlight.
- Available in white, or black (please check availability)

Cleaning Guide:

Spraying cleaning products on to electrical products is not recommended.

It is important to ensure that switches are turned off before cleaning.

Do not use any cleaning sprays - only wipe down with damp cloth or rub with dry cloth. (Do not use an abrasive cloth as it may scratch the plastic).

Do not use harsh chemical cleaners as these can break down the plastic and cause it to crack.
