

HYPCCCHLE

See current catalogue for further detail

Cleaning Guide:

Spraying cleaning products on to electrical products is not recommended.

It is important to ensure that switches are turned off before cleaning.

Do not use any cleaning sprays - only wipe down with damp cloth or rub with dry cloth. (Do not use an abrasive cloth as it may scratch the plastic).

Do not use harsh chemical cleaners as these can break down the plastic and cause it to crack.

Paint Cover

- Push on disposable decorative paint cover, used to cover wall plates when painters are spraying or rolling paint on the walls and prevents over painting on wall plates.
- Once painting completed, they are removed and the normal decorative cover/surrounds that come with the wall plate products are installed.
- Once painting completed, they are removed and the normal decorative cover/surrounds that come with the wall plate products are installed.
- The HYPCCCHLE can be disposed of or reused in other applications by the painters.
- Suitable for Trader's Leopard, Clouded Leopard and Snow Leopard ranges.
