

LEPPSHELF

See current catalogue for further detail

Cleaning Guide:

Spraying cleaning products on to electrical products is not recommended.

It is important to ensure that switches are turned off before cleaning.

Do not use any cleaning sprays - only wipe down with damp cloth or rub with dry cloth. (Do not use an abrasive cloth as it may scratch the plastic).

Do not use harsh chemical cleaners as these can break down the plastic and cause it to crack.

Power Point Shelf

- Suitable for use with Leopard LEPP2G plates
- Includes screw caps and plugs for secure retention on wall
- No need to remove wall plates from wall for installation of the shelf

Example of the Leopard Shelf in use with LEPP2G
