

PUENTP3G PUENTP3GTVA

See current catalogue for further detail

*The Clipsal brand and associated products are Trademarks of Schneider Electric (Australia) Pty Ltd.

GSM Electrical (Australia) Pty Ltd, the TRADER brand and it's products, have no endorsement or affiliation with Schneider Electric Pty Ltd.

Cleaning Guide:

Spraying cleaning products on to electrical products is not recommended. It is important to ensure that switches are turned off before cleaning.

Do not use any cleaning sprays - only wipe down with damp cloth or rub with dry cloth. (Do not use an abrasive cloth as it may scratch the plastic).

Do not use harsh chemical cleaners as these can break down the plastic and cause it to crack.

Entertainment Plates

- Protrudes from wall 31mm
- Mounting centres standard 84mm
- PUMA style cover finishes the appearance

Product comes in two forms, empty apertures or pre populated:

PUENTP3G (Empty)

For use with any form of Trader or Clipsal* style clip in Audio Visual or Data Jack products

PUENTP3GTVA (Populated)
