TEMPORARY POWER SOLUTIONS TO KEEP YOU IN BUSINESS

When Mother Nature takes the mains power out and livelihoods are at risk, our Buffalo range of industrial switchgear is ready to ensure a safe and reliable connection from a power source. eg. generator to a home, office or business.

Alternatively, be prepared with a temporary power solution and be ready for anything.

Buffalo offers everything from:

- IP66 rated switches, sockets, combinations, plugs and appliance inlets
 - compatible with other reputable brands
- Appliance inlets designed to fit various plug designs – fascia clearance not an issue
- Available less enclosure
