# *The Original Vintage Switch*

Trader GSM is proud to be the exclusive distributor of Classic Electric Switch Co.'s range of period style light switches and accessories to the Australian electrical wholesaler and contracting industry.

These timeless switch ranges are designed to suit architectural styles from Victorian terrace homes and cottages to 1920s Art Deco houses, Californian Bungalows, Tudor homes and everything in between.

Components are manufactured to the highest quality standards including highly polished solid brass covers, coated with clear lacquer. The range also includes our Trader switch Mechanisms, power outlets, dimmers, TV outlets and accessories to ensure maximum safety and reliability.

It's a combination that you can trust and will last generations of use.

## *The Hallmarks of Quality*

**Solid brass covers,  
polished and clear coated**  
Designed to last.

**Genuine porcelain bases**  
For true authentic look and feel.

**Dimmers  
& Fan Control accessories**  
Compatible with most fans  
and downlights sold  
at electrical wholesalers.

**Pine, Cedar & Undercoat  
style mounting blocks**  
Variety of configurations  
and finishes, all pre-drilled.

**Spare parts availability**  
Replace only  
components required.

**Fully compliant with  
Australian Standards**  
Safe to use and peace of mind
