matter

Works with **Samsung SmartThings**

Works with **Apple Home**

Matter Connect by Zimi.
Bigger than ever.

Connect your Senoa and Powermesh smart devices to Apple Home
and Samsung SmartThings with Zimi's Matter Connect.

Simply plug-in, pair with Zimi* and then add Zimi to these globally recognised smart home
apps. Matter is the new global standard for reliable, secure connectivity that allows smart
devices to work seamlessly together.

Now part of this global standard, enjoy a totally integrated smart home experience on your
preferred platform with Zimi Matter Connect.

*Requires Zimi ZCCD Cloud Connect

ZMC Zimi Matter Connect works with your platform of choice.
