

## COSUVXG

### Cleaning Guide:

Spraying cleaning products on to electrical products is not recommended.

It is important to ensure that switches are turned off before cleaning.

Do not use any cleaning sprays - only wipe down with damp cloth or rub with dry cloth. (Do not use an abrasive cloth as it may scratch the plastic).

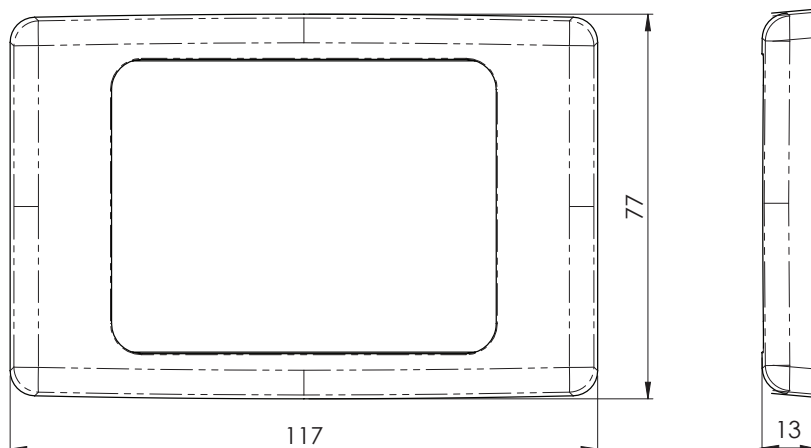

Do not use harsh chemical cleaners as these can break down the plastic and cause it to crack.

Do not wash the cover plates in water over 60°C.

## Clip On Surround for Cougar Range

- The COSUVXG is able to fit all the various models in the Cougar range.
- Made from UV stabilised polycarbonate to avoid discolouring to yellow.
- Overall dimensions (length 117mm x width 77mm x depth 13mm).
- Standard colour is white.
