## Hyena Ceiling Rose

- 4 terminal 16A 500V
- Ø65mm
- Mounting screw centres 48mm
- Easy mounting on timber or plaster surfaces
- 5mm terminal holes combined with clamping nuts
- 10.7mm hole suitable for heavy duty 3 core round cable

### Cleaning Guide:

Spraying cleaning products on to electrical products is not recommended.

It is important to ensure that switches are turned off before cleaning.

Do not use any cleaning sprays - only wipe down with damp cloth or rub with dry cloth. (Do not use an abrasive cloth as it may scratch the plastic).

Do not use harsh chemical cleaners as these can break down the plastic and cause it to crack.
