- Easy rotation clip on backing plate- ideal for post installation access simple screwdriver
- Side entry screw access
- Sliding screw cover for safety and convenience
- Two pre-cored holes for IPA stud circuit identification assembly
- Colour: Transparent Green

### Cleaning Guide:

Spraying cleaning products on to electrical products is not recommended.

It is important to ensure that switches are turned off before cleaning.

Do not use any cleaning sprays - only wipe down with damp cloth or rub with dry cloth. (Do not use an abrasive cloth as it may scratch the plastic).

Do not use harsh chemical cleaners as these can break down the plastic and cause it to crack.
