## Aperture plug with ID

- Removable Identification Plug Suitable For TRADER Series Switch plates.
- Clip in plug contains a removable clear lens that provides protection of the inserted label marking (Customer specified)
- If customer using a small piece of card/film to create the label or a label maker, the size must fit 12.5mm square to fit the recess beneath the transparent window.
- Available colour: white

**Cleaning Guide:**

Spraying cleaning products on to electrical products is not recommended.

It is important to ensure that switches are turned off before cleaning.

Do not use any cleaning sprays - only wipe down with damp cloth or rub with dry cloth. (Do not use an abrasive cloth as it may scratch the plastic).

Do not use harsh chemical cleaners as these can break down the plastic and cause it to crack.
