Ceiling Exhaust Fan Expressaire Self-Closing 250mm

The Mistral Expressaire is a 320mm Ceiling Mounted Exhaust Fan that moves high volumes of air and has self-closing blades to shut out insects and prevent back drafts when the fan is switched off. It also has removable blades for easy cleaning and complies with the energy efficiency requirement of the Building Code of Australia (BCA).

Features & Benefits:

- Mistral Axial Fan
- 6 Blades
- Air Movement 1200m³/hr
- 40W AC Motor
- Dimensions: 320mm fascia, 290mm cut-out
- Self-Closing Exhaust Fan Blades to keep out insects and prevent back draft when not in use
- Ball Bearing Motor
- Colour: White

Cleaning Instructions

1. Cleaning (Ensure fan is unplugged or switched off at mains).
2. Remove fan blades by unscrewing central knob.
3. With gloves on, wash fan blade in warm/hot soapy water, rinse clean and dry fan blade.
4. Fan duct may be wiped down with moist soapy cloth.
5. Re-attach fan blades and secure central knob
