

MIRHL001

Mistral Instant Radiant Heater and Light 275W

The Mistral 275W Instant Radiant Heater and Light unit can be mounted in any room that requires instant, direct, and radiant heat to ward off winter chills.

It is ideal for bathrooms, ensuites, toilets, dressing & change rooms and provides instant, concentrated heat to persons standing directly below the heat lamp.

Because of its efficient, radiant heat globe, the unit requires no warmup period.

Turn it ON when you are in the room and it will provide an instant warmth you can feel.

Features & Specifications:

- Flush Mount Design
- 1 x 275W Heat Globe
- Cut Out Hole: 160 mm
- Instant, efficient, direct heat

175 (L) X 175 (W) X 193 (H)

Warning:

Ensure mounting instructions are clearly followed.

Care and Cleaning

- Ensure the heater is switched off and cool down sufficiently before cleaning.
- Remove globe when they are at room temperature. Wipe with a damp cloth, never immerse.
- Unclip lamp surround and wash in warm soapy water. Always use a soft cloth, never abrasives.
- Never use any form of detergents or solvents to clean the heater.
- Never spray with liquids or submerge in liquids or water.
- DO NOT attempt to clean the interior of the heater.

Note: If the cordset of the appliance becomes damaged discontinue use.
